5 Bedroom, 3.50 Bathroom, 1,690 sqft

Single Family on 0.00 Acres

Spruce Avenue, Edmonton, AB

What happens when you blend vintage charm with superb potential? You get amazing character with modern style that also has a self contained suite!!! You will find this home unique at every angle starting in the living room that showcases the original stone fireplace to the wood beam ceilings that flow into the adjoining den. The kitchen has been modernized for today's chef with ample cabinets, granite countertops and stainless steel appliances. There is a dining area – perfect for a classic dinner party. The main level powder room (like everything else) has a trendy cool vibe! There's a total of 4 bedrooms (one on the main) – upstairs has the primary suite, 2 additional bedrooms and a full modern bath. Downstairs has a flex room with an additional full bath with everything including heated floors! The basement also has a non-permitted 1 bedroom suite with kitchen, living room and dining area and full bath. All this in a sought after location as well!

Built in 1948
